Zukunft für Bweyas Kinder
Future for bweya's children

Bweya Children's Home

Bweya is a village near the Ugandan capitol Kampala. „Bweya Children's Home“, a children's home for abandoned children and orphans, was found in 1968 by the Ugandan couple Christopher and Irene Mukasa and developed assisted by German friends.

Rainer Finken, whose parents were involved into the development in the 1970ies, met Moses Ssebagala, the actual Director of the responsible NGO Children Safe Uganda, in 2010. Due to degenerated buildings and increasing supply shortfall, Moses and Rainer worked on a conception to ensure the sustainable continuity of the children's home.

The implementation started by founding *Zukunft für Bweyas Kinder e.V.* on September 10th, 2011.

Our Targets

We want to ensure the basic needs like balanced diet, care by qualified staff, school and medical supply in a sustainable way and most of this is done by a sponsorship program among others.

With the help of BILD Hilft e.V. „Ein Herz für Kinder“ we have managed to fund the renovation of the dormitories and the fencing.

Our future plan is the support of projects which develop the sustainability of Bweya Children's Home.

Your Contribution

„Zukunft für Bweyas Kinder e.V.“ is exclusively run by volunteers. We can ensure that your donation is fully for the benefit of the children's home.

Your Donation

Can you imagine the effect of your donation?

- 5 Euro can supply two children with medical care.
- 10 Euro are giving satisfying meals for one child for a whole month.
- 20 Euro per month are needed for the visit of a good primary school.
- 40 Euro per month can fund the school visit for 4 children to a basic standard primary school.
- 80 Euro are enough to buy the monthly amount of rice for 80 children.
